

Sheffield Children's NHS Foundation Trust — FOI-12951 (response 9 July 2026)
Holding children's ADHD data for NHS South Yorkshire ICB.

1. Children waiting for an ADHD diagnosis: 6544 (as at 31/05/2026).
2. Children given an ADHD Assessment 1 Apr 2025 - 31 Mar 2026: 348.
3. Expected wait if referred now: waiting times for Autism and ADHD assessments range from two and a half years to in excess of eight years, with most recent referrals waiting longest (as at April 2026).
4. Pathway: referral received into a grading queue, then triaged onto the ADHD assessment pathway (combined child development / neurodisability service).
